OUR 2023 ACHIEVEMENTS

BOY SCOUTS OF AMERICA
CASCADE PACIFIC COUNCIL

★ ★ ★ Impact. For Generations. ★ ★ ★

Developing confident, courageous servant leaders of tomorrow is at the heart of what we do. Last year, 1,853 new boys and girls joined our programs. And as the largest extracurricular youth leadership program in America, it is our vision and duty to attract and positively impact more youth year after year.

It is why we are continually seeking new partners, donors and believers who can help us grow the program to generate more stories of personal impact. Partner with us today and together we'll create even more life-changing stories like these.

"Before I was in Scouts, I didn't really have a purpose in life . . . and I found that leadership was hard but also very rewarding."
- Grace Parry, Eagle Scout

My son is autistic, and on the spectrum and Scouting has been awesome. He is now setting his own goals, learning life skills and having a blast." - Kristi Halstead, Parent

Due to the outgoing nature I developed through Scouting, I can empathize with more people and have gained a more holistic view of the world."
- Nividh Singh, Eagle Scout

"I think the biggest thing to me is that I can be a role model, especially to young girls who can now become an Eagle Scout."
- Chloe Bartlett, Eagle Scout
