# Unprecedented Year, Unparalleled Grit

In a year like no other, consumed by a global pandemic, wildfires, school closures and lock-downs, Scouts and Scouters in the CPC proved they have GRIT.

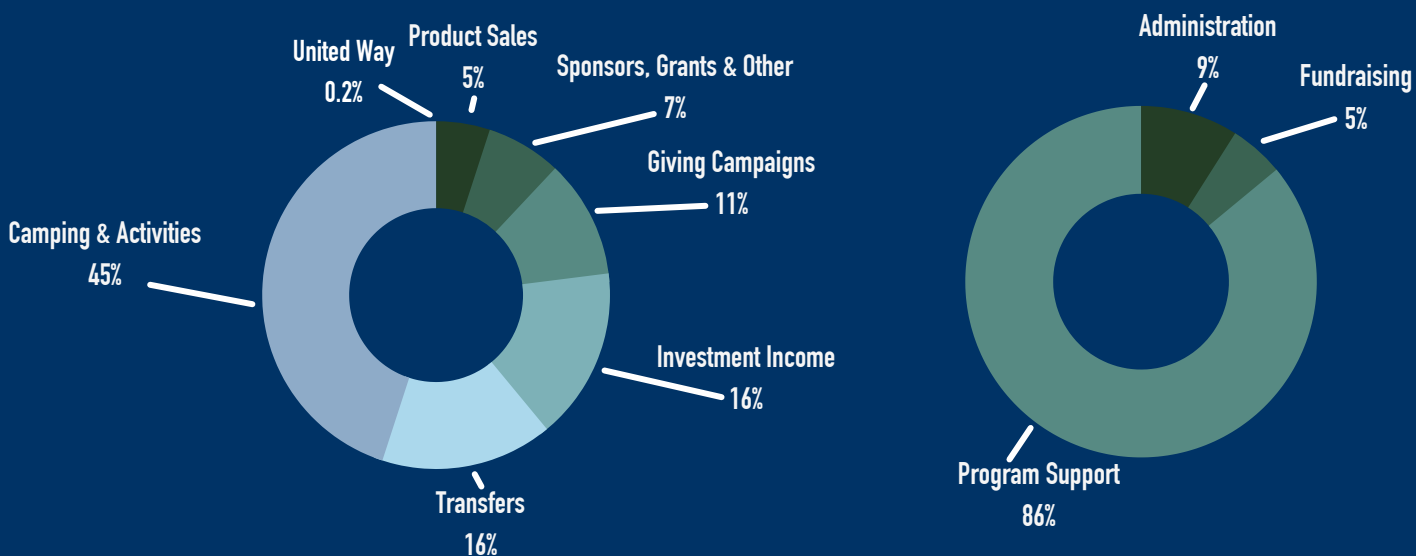

The perseverance of youth and adults and the support of volunteers and donors were evidence of all that we teach in the Boy Scouts of America: dedication, honor, service, courage, character and so much more.

We are proud to continue to serve thousands of youth in our area and have a vision of strength and growth for years to come. With your help, we will continue this mission for individuals and communities alike.
