How to Complete the National Jamboree Application

The following steps will help you complete the National Jamboree application at jamboree.scouting.org. Please make sure you use your YOUTH’S my.scouting.org account or create one if they do not have one already. If you need help accessing a previously established youth account, you may call National at 972-580-2489 for assistance.

**Step One**

Visit jamboree.scouting.org and scroll down until you see the Jamboree Participants box on the left. Click “Apply Now”.

**Step Two**

Log into your youth’s my.scouting.org account or if they do not have one you will need to create one by clicking on the “Create Account” link. Do not use your (Parent or Guardian) my.scouting.org account as this will register yourself not your youth.
**Step Three**

Click on “Register” when you get to this screen.

**Step Four**

Personal data should be populated already for your youth in this screen. You will need to scroll down to “Parent Data” and enter responsible parent’s information. Once that is entered, click “Next”.
**Step Five**
Select your attendee type. You will want to select “Participant” and click “Next”.

**Step Six**
Check the box next to “Jamboree Dates” and click “Next”.
