

# SCOUTING FOR FOOD

## December 5, 2020

As Covid-19 leaves millions more people food insecure, your help is needed more than ever. This year we are doing things differently so that we can all stay safe while supporting our local Food Banks.

Cascade Pacific Council Scouting families, following Covid-19 safety policies, will be in your neighborhood **Saturday, December 5th** to collect food. Please place your non-perishable, unexpired donation by your front door at 9:00AM. Scouts will pick it up and deliver it to a designated local food agency in your community.

### ★ MOST WANTED FOODS ★

Canned meat or fish  
Soup and stews  
Canned fruits and vegetables  
Peanut Butter

Pasta and rice  
Dried or canned beans  
Cereal  
Meals in a box

If your bag is missed or you wish to donate independently, you can find a list of Food Banks at [www.cpcbsa.org/scoutingforfood](http://www.cpcbsa.org/scoutingforfood)

## LOOKING FOR ADVENTURE?

While other youth programs have shut down, Scouts and their families have found ways to **safely** and **creatively** serve, adventure and grow together.

Learn more at [cpcbsa.org/grit](http://cpcbsa.org/grit) and get a **FREE Adventure Kit for kids ages 5-17.**
