WOOD BADGE

WHERE LEADERS GO TO GET GRIT

Reflecting the best of nearly a century of Scouting experience, Wood Badge draws upon the most current leadership models used by corporate America, academic circles and successful organizations throughout the country. Wood Badge builds upon the best traditions and experiences of the Boy Scouts of America and also draws from a wide range of courses within and beyond the bounds of Scouting to present the latest in leadership theory and team development.

To attend a Wood Badge course, individuals must:

1. Be registered members of the Boy Scouts of America. (Youth 18 and older may attend as long as the appropriate Youth Protection guidelines are followed. They do not need to be registered in an adult leadership role.)
2. Have completed the basic training courses for their Scouting position.
3. Be capable of functioning safely in an outdoor environment. All participants are required to complete the Annual Health and Medical Record form.
