

Table Host Invitation Template
2021 Leadership Luncheon

Hi <Table Host prospect>,

I hope you are doing well. As you may know, I have been involved in Scouting in several capacities over the years. Most recently, I serve on a local committee with the aim of increasing community engagement and financial support in Southwest Washington.

We are hosting a digital fundraising event called the “**2021 Leadership Luncheon**” held on April 28th at 12:00pm via the Zoom platform. At this event, we will honor Catherine Kroll, The Director for Infection Prevention at Peacehealth for her contributions to our community, and celebrate the local impact of Scouting on young-people in our communities. All financial contributions at this event are restricted to support local camping-related expenses such as camp/facility improvements, seasonal camp staff salaries, and youth scholarships.

At this event, we rely on the support of community members and business leaders like yourself. **I would invite you to please consider serving as a Virtual Table Host at his year’s Leadership Luncheon event.**

As a Virtual Table Host, you are simply asked to:

1. Recruit & register 5-7 guests to attend the Leadership Luncheon on April 28th at 12:00pm. There will be a Scouting preshow starting at 11:45am.
2. Attend the digital Table Host Networking/Orientation on Tuesday March 16th
3. Submit your final guest list by April 21st via email to District Executive Tim Williams at: tim.williams@scouting.org

If you would like to serve in this impactful, short-term role, please let me know personally. This will allow you to receive additional information and reminders leading up to our Orientation.

Thank you for your support of local Scouting and youth programs!

Best regards,
<your name>
