Bring your scouts to a one of a kind campout. Super Weekends run Friday evening to Sunday noon and are perfect outings for Scouts to take full advantage of our largest summer camp. Enjoy the scenery of the Oregon coast while taking part in some of our fantastic areas like:

CLIMBING

SHOOTING SPORTS

HIKING

UNIT CAMPING

BEACH COMBING

TRAIL TO FIRST CLASS

We will follow COVID Protocols still in effect including masking, cohorting, and distancing as required. This may alter traditional Super Weekend programming to be more unit-oriented.

Registration is open now at cpcbsa.org/superweekends. The program guide will be available in December, with updates to match COVID requirements. Webelos are welcome to attend with a troop to kick start their Scouting adventure.
