

Weekend Horse Rides

Horse Riding Builds Character in Surprising ways.

The benefits of horseback riding are innumerable and are shared amongst all horseback riders. Horseback riding teaches responsibility to those who ride and even more so to those who take care of horses.

Horse caretakers must know how to care for the horse during times of health and illness. Learning all about horse health, along with tack and farm care, involves a lot of time and responsibility in order to put that knowledge into practice every single day for the benefit of the horse. In

addition, horseback riding teaches patience, discipline, understanding, empathy, compassion, self-control, and dedication. Without these traits, the rider will not go far in their horsemanship studies.

Come ride with us. You will see growth in some of these ways.

Little Buckaroos:

(Note: Little Buckaroos is cancelled for Fall 2021 Rides. Will return in 2022)

A fun and instructive introduction to horsemanship for Cub Scouts, ages 6 to 9!

Cub Scouts will learn about the history and nature of horses; how to be around horses safely, horse care and grooming; basic riding skills; and cowboy gear.

The two-hour classes will be held in a covered riding arena. Classes will run most weekends from March to May. Morning classes will start at 10am and afternoon classes will start at 2pm. Classes will only run with 7 to 10 boys.

Cost is \$20 per boy and includes instruction, a wrangler-led horseback ride, a snack and a Lil' Buckaroo patch!

All riding conducted by the Butte Creek Wrangler Association. A Venture Crew dedicated to horsemanship and equine education. Program led by Council Head Wrangler and Cowboy Poet Scott DePaolo.

Lodging:

Lodging is facility reservation, a separate reservation from the horse program. By the horse corals there are 8 larger Adirondacks (3 sided structures), each sleeping 10. And on the camp side by the old town façade we have sites available. Sites Flying J (lower on the hill), Rocking K (lower on the hill), Circle T, and Yellow Rose all have “mini daks” on them. Each site has around 8 mini daks each mini dak sleeping 2.
