

Basic Adult Leader Outdoor Orientation (BALOO) FAQ

What is BALOO?

BALOO stands for Basic Adult Leader Outdoor Orientation. It's the introductory training Cub Scout leaders complete before taking Cub Scouts on an overnight camping trip.

Leaders who complete BALOO training are better prepared to plan a den or pack overnight events. You'll learn how to make camping activities and outings fun. You'll discover how to keep your Cub Scouts safe and entertained. And you'll learn how to plan an event that's rooted firmly in Cub Scouting's principles. Successful experiences in the outdoors make Cub Scouts — and their parents — more likely to keep coming back.

How do I take BALOO?

BALOO consists of two components: online and hands-on. You'll need to complete both — in order — to qualify as a "Trained" Cub Scout outdoor leader and receive the BALOO recognition patch.

1. Online component: The online portion of BALOO is available at the BSA Learn Center at my.scouting.org. The goal of the online portion is to make the best use of time to allow leaders to experience as much as possible during the practical hands-on training. Leaders should complete the [online 35-minute course](#) before attending hands-on course.
2. Practical, hands-on component: This course is designed as an introduction to the Cub Scout outdoor program for leaders interested in adding a camping component to their Pack activities.

Is this training required for my Cubmaster or Den Leader scouting position?

This training is not required to be a fully trained Cubmaster or Den Leader. However, the BSA requires that you have at least one BALOO-trained adult on every Cub Scout den or pack overnight outdoor event. That includes pack camping and Webelos den overnights.

When is the BALOO practical portion of the course being held?

The course is on Saturday, April 22, 2023 at 8:00 to Sunday, April 23 at 12:00 PM. We will be starting at 8:00 sharp so encourage you to arrive by 7:45 to sign in and be ready to go. You also have the option to arrive the Friday night before the course but will need to supply your own food for Friday night and Saturday morning.

Where is the course being held?

The course is being held at Butte Creek Ranch. We will be doing as much of the training outside as is possible.

What is the cost?

The cost of the course is \$35.

Are meals included?
