## Tie slides made out of wood shapes!

you'll need: 1/2" PVC cut to 1/2" slices

gorilla glue to attach PVC to shapes (best to do ahead of time)

Wood shapes of your choice

permanent markers, paint, puff paint, or paper to decorate shapes

(you can also use foam stickers instead of the wood shapes)

## Make some ornaments! (I love to add a picture of the Scout!)

## Sing your favorite winter songs!

Be careful not to make them Christmas songs or too religious unless you know that all of your families would be open to that, but there are so many to choose from that the kids love. (Keep it Scout appropriate. No Jingle Bells, Batman smells.)
