

**2023 Timberline District Camporee  
Leaders Guide  
May 5 – 7, 2023  
Butte Creek, Scotts Mills, Oregon**

The past few years have seen us struggle through a pandemic, recover from wildfires and an ice storm, and continue to restructure and rebuild Scouting. You've seen the Scout signal & you've heard the call. Come spend the weekend celebrating the Scouting Super Heroes you all are. Take on new challenges, enjoy the fellowship of other Scouts and Scouters, and unleash your inner superhero. Our goal is to promote Scouting, fellowship and have fun. This Leaders Guide is designed to give you some basic information. Please contact the Camporee team if you have any questions.

Remember this is a Scouting event and all Scouting rules apply.

If you need a refresher please visit [www.scouting.org/health-and-safety/gss/](http://www.scouting.org/health-and-safety/gss/).

13. Camporee Activities:

**Morning**: Saturday morning will consist of inter-patrol competition events. Rules are as follow:

Only a troop’s regularly organized patrols should compete. Patrols that are made up for just the Camporee are not keeping with good Scout Spirit.

Leadership: Camp staff will create the morning competitive event stations. Instructions will be presented to the patrol leader at the beginning of each event. These stations will be manned by adult volunteers from units attending Camporee. **Adult volunteers will be needed from units to run these morning stations.**

Competition Areas: Separate areas will be laid out for each of the events. When first registering at the Camporee, patrols will be assigned a starting station for Saturday’s activities and circulate through the events until they have completed all event stations. As in previous years, patrols may go from station to station in whatever order they choose. It does not need to be in numerical order. Patrols should be advised that different stations will require different lengths of time to complete.

**Afternoon**: Afternoon games/activities will be for participation points. Adult volunteers will be needed from units to run these activities. No youth or adults should be in their campsites during this time.

14. Skills and Knowledge Required to be Successful: As in past years, activity events will utilize Scouting skills, teamwork, and an emphasis on the Patrol method. The following list of skills and knowledge are great skills to develop and use at Camporee:
